TO-DAY'S GAMES. Wheeling at Fort Wayne.
New Castle at Grand Rapids.
Toledo at Youngstown.
Mansfield at Dayton.

When the eighth inning of yesterday's game between Toledo and Wheeling had arrived, the situation was somewhat out of the ordinary. Wheeling had made only five hits off Ewing, but had scoted three runs. Toledo, on the other hand, had made ten hits, but had only and, had made ten mis, but had only two runs. The Nailers had batted con-scentively in the second and third in-nings, when they scored their runs, while bolan, with the assistance of great fielding, had kept the hits scatter-ed and unproductive of more than the

ed and improducts of mine than two runs.

This was the situation when the ninth inning opened. In Wheeling's half, Taylor, Babb and Kihm were outs in order, but the visitors came to the statch and proceeded to but out a victors, aided by a fielding misplay on the part of the locals. Griffin led off with a strike-out, and visions of three straight legan to filter through the minds of the spectators—but the stern reality was allogether a different proposition. Bek sent a grass cutter down to Babb, sack sent a grass cutter down to Babb, who should have handled it for an easy lasist and out, but the ball got through assist and out, but the one got through him, and Beck was safe. Myers singled, advancing Beck to second. Gilks sing-led, scoring Beck and tieling the score, and Smith hit to left for his third safe hit, and Myers came in with the winning run.

Outside cleanliness is less than half

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and sill be unclean. Good health means cleanliness not only outside, but inside. #### BASE BALL COMMENT.

The loss of yesterday's game came specially hard, because the rain had interfered in the eighth, when the score was three to two in Wheeling's favor, and all the fans were hoping the rain would last the required thirty minutes and insure three straight. However, it was the fortune of war, and Toledo won in the ninth because their hitters hit when hits were needed. If Wheeling had won it would have been remarkable, with the visitors making twice as many hits.

Wheeling's team left at 11:45 via the Baltimore & Ohlo for Fort Wayne, where they open a three-game series this afternoon Lytle took the following players with him: Dobbs, Durrett, Kihim, Taylor, Niles, Babb, Hunt, Poole, Weiß, Dolan and Crabill. "Old Hess" Twineham, the ex-Detroit catcher, who accepted Wheeling's terms, will join the team at Fort Wayne to-day, and Manager Lytle believes the veteran will steady the pitchers and increase their effectiveness. stendy the p effectivenesa.

Crabill will pitch the opening game at Fort Wayne to-day.

"Bill" Taylor is anxious to win three straight at Grand Rapids. He has no leve for that "short-end" magnate, Frank W. Torreyson.

The Wheelings play at Fort Wayne, Grand Rapids and Dayton in the west, and at Mansfeld and Youngstown in the east before returning home June 5 to open a long home series, with the Daytons as the opening attraction. Lytl: will be satisfied if his team breaks even on the trip.

The Toledo team goes to Youngstown this morning. The Toledo players were overloyed over their victory of yester-day, and now concede that Wheeling, has one of the best teams in the Inter-

Mahoney, with whom Mayor Van Wyck admitted he had some business transactions, was put through a long series of questions. Ma-honey admitted being a bookmaker, but honey admitted being a bookmaker, but declined to answer the question as to whether he is conducting pool rooms here. Former: Police Commissioner Hamilton, whom Mayor Van Wyck yes, terday designated "a blackmailer" declared that what the mayor had said was absolutely false. Several witnesses who within the past few weeks have been doing detective work for Counsel Moss, testified that a large number of pool rooms are now being run in New York. The hearing will be continued to-morrow.

#### OHIO POLITICAL POINTS.

The bitter quarrel now on between Major Dick, Cyrus Huling and other of the Dougherty managers is not helping any of the candidates named for gov ernor so far.

The Hon. Charles L. Kurtz read with genuine pleasure the scathing card of Chairman Cyrus Huling, reflecting upon Senator Honna and Major Dick, and in his usual quiet, smooth, easy way wondered how the boys who have labeled themselves "administration men" were ever going to get together. Then he thought of other things.

Judge Nash has conducted a modest, clean preliminary campaign for the nomination, and he gets some of the delegates as the reports come in from the various counties. Hon. H. M. Dough-erty has made a cleaner campaign than some of his managers, who seem to de-sire the annihilation of any one who dares to think outside the lines they

George B. Cox. with his Hamilton and neighboring delegations, county and neighboring delegations, will be able to name the candidate for governor if he should desire either of the more prominent candidates. But it is understood he will support a Cincinnati man until the convention comes to him or he gets the opportunity to switch in a new man. He will have over 100 votes in the convention.

State Food Commissioner Blackburn denies the form of the telegram as printed that he sent from St. Clairs-ville.

Belmont county has the state food and dairy inspector, Noble county has and dairy inspector, Noble county has the state auditor, who will be renomi-nated. Jefferson county has the state treasurer, who is a candidate for re-nomination, while Columbiana county has also a candidate for state treas-urer. With eastern Ohlo thus provid-ed for, is it reasonable to expect more? There has been some slily talk about securing another candidate from this county.

The Democrats of Ohio are not in any the Denocrats of Ond are not in any better shape than the Republican factions. Hon, John J. Lentz for a time seemed to have a walk-over for the Democratic nomination for governor. Now Allen O. Myers, James Ross and others say Franklin county will be for Col, Kilbourne and not for Lentz.

In the state senatorial district over the nomination if Belmont county is sol-idly for him. Senator Blake has lost half of his own county, and Harrison and Jefferson will favor Belmont.
